

CAR CLUB PRODUCTS

www.dashplaques.ca

Dash Plaques • Personalized License Plates

At HAVE1.COM, we produce many different promotional products focused on promoting your club, car show or event using our in-house dye sublimation process.

Dye Sublimation involves producing high quality print outs of your supplied artwork using a special 4 colour printer. We then transfer the image onto different material such as aluminum, fiberglass or ceramic. This process guarantees your promotional products are top quality and can be treasures for many years.

Qty.	Size 2 x 3	Size 3 x 4
24 - 49	contact us	for pricing
50 - 99	contact us	for pricing
100 - 149	contact us	for pricing
150+	contact us	for pricing

Full colour print on white aluminum, square corners & adhesive tape backing.
Round cornering is an available option.
Prices do not include artwork setup, shipping or taxes.

Need help with artwork? We also have graphic designers ready to assist! We are happy to ship across Canada. **Contact us for a shipping quote.**

Promote your car show, club and events with our high quality, metal dash plaques, photo plaque awards or other items.
