

Plaques and Awards

At HAVE1.COM we produce high quality plaques and awards that make great recognition gifts for employees, event sponsors and/or participants, sporting events, fund raising events, volunteers, donors and many other events.

All of our plaque production is completed onsite allowing us to provide any quantity, whether it is just a single one or 100+. Using your supplied artwork and our special 6 colour dye sublimation printer we transfer the images onto aluminum providing a top quality product that can be treasured for many years. Our aluminum photo plaques allow you to have either just a simple text message or also include full colour logos and photographs as part of the plaque's graphics.

Need help with your artwork? We have graphic designers on staff ready to assist!

Our standard plaques are available in seven colours...
 Blue Wood, Black Oak, Green Wood, Red Wood, Black Marble, Matte Black and Cherry Wood.

We have 3 colours of aluminum plates available: White, Gold or Silver.

Each plaque comes in a poly bag. Presentation boxes are also available at an extra cost.
